PRESIDENTS REPORT

Hello fellow Jaycees,

Welcome to another great week.

First of all, I would like to say hello to our friends in the Mahattan, Kansas Jaycee chapter. The Mahattan chapter president, Justin VanNest approached me at the Local President's Summit in Tulsa, Oklahoma about doing a newsletter exchange. This is the first official Monday Update going to their chapter. Justin is interested in publishing articles written by members of our chapter in their monthly newsletter. Anyone who is interested in writing a short article, please let me know and I will give you Justin's contact information.

We have our March general meeting on Thursday. This is the much waited for training on Robert's Rules of Order by our very own Kate Dubois. I am sure that this is going to be a very fun and enlighting training session.

Finally, this month's Business After Five will be held Tuesday, March 15th at the Best Western Vernon Lodge. Personally, I think this will be a great Business After Five and encourage you to attend. Any member of the Vernon Jaycees is welcome to attend. See you all there!

Kim

TRAINING

Hello Everyone!

Be sure to come out to the next General Meeting as we have a great training in store for you. Our very own Kathleen (Kate) Dubois will be instructing us in the finer points of Robert's Rules of Order. We will be learning about meeting conduct, how to keep topics on track plus the whole motioning, seconding, approving thing that we do at every meeting. If you know Kate, you know that this will be a training full of information, fun and wit.....this will be a training that you do not want to miss.

Hope to see you there!

Lyle

SOCIAL

March 19th is Tube Town up at Silver Star from 4-6pm for a cost of 10\$, this rate applies to all ages (except really wee ones that would be going with parents anyway) this rate is a special rate for our group, normal rates are 13\$ for children and 15\$ for adults so we are getting a deal no matter what age we are. The cost includes hot dogs and hot chocolate for after tubing (and marshmallows roasted at the fire pit). All are welcome to come so if you have children or nieces or nephews or friends that want to come just let me know by thurs. meeting so I know how much food to bring. Also if you have your own hot dog sticks bring them out so we don't have to harm any trees or our hands while roasting our dogs.

Hope everyone had a great meeting.

Erin

CAN AM

Greetings from your Can Am Training seminar committee:

Our meetings are going very well and it looks like our Training seminar will be held in October. Details coming soon! What we are looking for right now is someone who may be able to do some training for us in Tai Chi, Preferably we want someone who will train for free, so we are asking for your connections. If you know someone who may be able to help us out please contact Kathleen at kathleenrmt@shaw.ca with your scoop. Expect to hear exciting updates coming soon.....
