PRESIDENTS REPORT

Hello all,

I hope everyone is refreshed after the weekend. While the weather did not cooperate with our plans to golf on Saturday, the Golfing social at Highlands was a bit success. Erin did a wonderful job rescuing the social event by bringing board games and cards for everyone to join in and play. Even a few adventurous people did go golfing! Lyle was quite surprised by the birthday cake - almost speechless. If you see him this week and was not at the social don't forget to wish him a Happy Birthday.

July is the month were we have our "Informal General Meeting". For those of you who are not familiar with this it is a less formal meeting followed by a fun training and a lot of fellowship. Please stay tuned to your Monday updates for the location of this meeting. Your executive is working very hard to find the perfect venue for the meeting and will let everyone know where it is to be held shortly.

Kim

TRAINING UPDATE

Hello Fellow Jaycees:

Are you tired of learnin' stuff about things? You drag yourselves out of you frantic offices, busy worksites and overwhelming jobs only to come to a Jacee meeting and overload your brains with information.....if this is you, then you don't want to miss the next meeing. We are having Kangaroo Court! That's right! Grant Anderson, our resident computer guru/auxillary police officer/update sender will be defending himself on the charges of improperly passing "Head". This will be a fun meeting with all the excitement of a courtroom drama. What will happen? Will Grant escape his charges? Will someone else be fined? Come to the meeting and find out!

'til next time...

Lyle

Kudos to Kate Dubois for putting on a great Jaycee 101 training last month....congrats to Andrew for sculpting a Miata out of playdoh (if you don't know what I'm talking about, go to more meetings and you'd be in the loop).
