PRESIDENT'S REPORT

Hello fellow Jaycees,

The National Convention was a great success. JCI Cape Breton did a fantastic job with the planning and running of the convention. The conventioners were able to have an 18th century dinner and walking tour of Fortress Louisberg that was a fantastic experience. We had the awards dinner at the Dobson Yacht club where we were treated to a wonderful steak and lobster feast and on the Saturday Night the Outstanding Young Canadians Gala was held at the Sydney Marine Terminal. The weather was very cooperative for the whole week until Saturday when Tropical Storm Ophelia stopped by but that really was not a big deal and definitely did not interrupt the celebrations, even with a 4 hour power failure that blacked out Sydney.

One of the big highlights of the Convention was that IVP Lori Tomlin (some of you met her at our regional convention in Prince George) and World President Kevin Cullinane were in attendance for the convention.

The competition for this year's Effective Speaking Champion was extremely fierce. Dr. Alan Jenks of the Kelowna Jaycees did a fantastic job representing our region in the competition. The winner of the competition was Tom Ross of JCI Calgary and I am glad that I was not a judge for the competition because it would have been very difficult to choose!

JCI Calgary was successful in their bid for the 2007 National Convention. This will be an excellent opportunity for our chapter and our region to attend a National Convention that is close by.

Another exciting bit of news that was presented to the General Assembly was that JCI Quebec City announced their intent to bid for the 2008 World Congress! This received unanimous support from the General Assembly and with luck we will have the first World Congress to be held in Canada since 1984!

There are some other exciting bits of news that I will present at the next meeting so make sure you are there!

Have a great week,

Kim
