PRESIDENT'S REPORT

Hello fellow Jaycees,

WOW! The Can-Am committee did a terrific job and I know that everyone had a great time this weekend and learned a lot of new things in the training sessions. We also have a brand new group of PRIME graduates in the BC/Yukon region - congratulations to all those who successfully completed the JCI PRIME training. I would like to thank all those who provided their personal insights as trainers this weekend and a very special thank you to Corey Sigvaldason for sharing his very moving story and his Epithaph Theory with us on Sunday.

The committee did a fantastic job - so thank you very much to Andrew Hutton, Sandra Simao, Kate Dubois, Barb McKechnie and Jason Briggeman for all their hard work. The committee is looking for all pictures that were taken at the event so that they can put them on the website to share with those who attended. Please send your pictures to Andrew at aghutton@cablelan.net.

Don't forget the New Member's Night on this Wednesday. It is a free evening for both guests and members - so bring a friend along. The New Member's night starts at 7:00 pm in the Monashee room at the Village Green Hotel.

Make it a great week!

SOCIAL UPDATE

Hello All,

The murder mystery night is full except for one spot, I think I am forgetting some one so if you don't see your name or a significant other that you are bringing also or if you see your name and can't come let me know asap as I am going to be sending out the character soon. Please confirm with me by Friday if you can't come or there is someone missing. There are 3 spots that are filled by Pentiction Jaycees that will be joining us for the night. Very excited about that.

As you can see we have more boys than girls and we need an even number so one of you boys may have to come as a girl. I will let you know (Jay or Gilly I think it might be one of you). If you really want to come let me know because there may be cancellations and some people may not be able to come. So if you are not on the list but would really like to come let me know and I can figure out something.

Hope you all had a great weekend at Can Am, it was so much fun
